2019 Course Selection *and* Trade Training Centre Application

New North
Education Initiative

A MESSAGE FROM OUR PATRON

A good education is the great enabler, establishing a firm basis for positive life outcomes and the prosperity of individuals and our society generally. The challenge for schools is to prepare school leavers to take the next step toward their future – a future of work, a career and lifetime of learning. This future inevitably requires some form of training, post-school, either in VET or University, supported by a school experience that has provided the initial skills and background required to succeed.

The five schools that are collaborating as part of the New North Education Initiative are doing just that through focussing on individual needs, broadening access and enabling participation. This collective has developed an innovative approach to supporting the students, families and teachers in the Perth northern corridor to reach their full potential through a range of programs with strong community links that engage with education opportunities at many levels.

For students, the benefits include a broader range of ATAR and VET studies than would potentially be accessible in a single school, and a focus on reaching their potential through achieving excellence, in what they choose to pursue. For teachers, there are enhanced development and networking opportunities that support their professional aspirations and engagement with their discipline.

I am pleased to support the New North Education Initiative and encourage you to learn more about the opportunities and options available to enhance the educational outcomes of your community through what we have to offer.

Professor Arshad Omari

Patron, New North Education Initiative and

Deputy Vice-Chancellor (Academic), Edith Cowan University

New North
Education Initiative

NEW NORTH EDUCATION INITIATIVE 2019

Increasing Opportunities

The New North Education Initiative (NNEI) is a collaborative partnership between Dianella Secondary College, Balga, Eastern Hills, Girrawheen and Morley Senior High Schools within the North Metropolitan Education Region. This unique partnership provides enhanced opportunities for students, and the best of educational delivery for young adult learning. This alliance enables students at these schools to access a wider breadth of Senior School curriculum choices with specialist teachers, while remaining attached to their home school campus and is in response to community demands for excellence in education.

NNEI - Purpose

- Enhanced curriculum breadth
- Comprehensive academic stream offerings
- Promotion of excellence in local schools
- Development of successful programs in local schools
- State of the art Vocational Education and Training options
- Access to three Trade Training Centres
- Quality professional development for teaching staff
- Close and active engagement with primary schools
- Strong, shared community links

The shared, cooperative curriculum delivery across five sites has attracted considerable local and state wide interest. Student achievement has improved through this alliance by enabling students at NNEI schools access to Senior Secondary Schooling curriculum choices beyond the limits of what is offered at their home school. Currently 100 students travel between schools to access courses of their choice.

What can you expect

The schools in the initiative deliver a range of courses across five campuses. The shared courses are offered in two blocks of two hours per week throughout the school year or as whole day courses in the specialist Trade Training Centres.

Students accessing the shared courses at NNEI schools are required to make their own travel arrangements at the start and end of the school day (to or from the host school). Travel between the host schools and home schools during the school day will be provided by the NNEI Bus. In the case of Eastern Hills Senior High School, travel arrangements are different because of the more distant location and nature of the delivery of the shared course offerings.

Students are invited to access a placement in a shared course at an NNEI school if their home school is unable to offer the course, or the student's choices do not fit the courses offered on their home school's timetable.

TRADE TRAINING CENTRES

The New North Education Initiative is leading the way in providing prevocational programs in Automotive, Building & Construction and Hospitality, to ensure students are knowledgeable and industry ready prior to seeking apprenticeships and pathways towards further training.

Building and Construction Trade Training Centre at Girrawheen SHS

Certificate II in Building & Construction (Pathway-Trades)
52443WA - 1599
Bricklaying/Blocklaying and Tiling Electives

The Girrawheen SHS Certificate II in Building and Construction (Pathway-Trades) is a two year one day a week program available to students in Year 11 who are interested in pursuing a career in the Building and Construction Industry. The course is nationally recognised, delivered by North Metropolitan TAFE and enables students to gain direct experience and skills in many facets of the building and construction industry while still working towards their secondary graduation. The program is suitable for students who:

- have a passion and a commitment to the building and construction industry
- would like a quicker and more meaningful transition into either work or training
- enjoy hands on learning and wish to enhance their life skills.

The Certificate II in Building and Construction (Pathway-Trades) is the industry's preferred pathway for students seeking entry into an apprenticeship or traineeship in industry. Completion of the course will give students the opportunity of making a successful transition from school to full time employment or further training. Workplace Learning is a compulsory component of the qualification.

The Hospitality Training Centre at Dianella Secondary College

Certificate II in Hospitality (Kitchen Operations)

The Dianella Secondary College Hospitality Training Centre offers students in Year 11 who are interested in the Hospitality Industry or Business and Events Management an opportunity to gain direct entry into the world of work or training while still working towards their secondary graduation. The program is suitable for students who have a passion for hospitality and events management and would like to pursue an industry pathway and/or tertiary studies.

The pathway links include:

- Hospitality Industry Apprenticeship
  and/or
- Bachelor of Business and Events Management.

Automotive Pre-apprenticeships at Morley SHS

Certificate II in Automotive Servicing Technology

The Morley SHS Automotive Pre-Apprenticeship is a flexible learning program available to students in Year 11 who want to gain direct entry into the world of work or training while still working towards their secondary graduation. The program is suitable for students who:

- have a passion and a commitment to the automotive industry
- would like a quicker and more meaningful transition into either work or training

A Certificate II in Automotive Servicing Technology will give students the opportunity of making a successful transition into full time automotive apprenticeships, other traineeships, further TAFE training or full time employment. All students who successfully complete this national qualification will have their indentured period of an automotive apprenticeship reduced by six months.

NNEI COURSES FOR 2019

If you would like to apply for an NNEI course of study, please see your Senior School Course Advisor for further information.

BALGA SENIOR HIGH SCHOOL

Tuesday
8:30am to 10:30am and
Wednesday
2pm to 4pm

Certificate II
Community Services - Childcare
Year 11 & Year 12

Certificate II
Information, Digital Media and Technology
Year 11 & Year 12

Thursday

Young Parent Program

GIRRAWHEEN SENIOR HIGH SCHOOL

Tuesday
8:30am to 10:30am and
Wednesday
1:55pm to 3:55pm

History
Year 12 ATAR
Mathematics Specialist
Year 11 ATAR

Tuesday 1.40pm to 3.40pm and
Thursday 8:30am to 10:30am

History
Year 11 ATAR
Physics
Year 12 ATAR

Thursday
8.40am - 3.30pm

Certificate II
Building & Construction (Pathway Trades)
Year 11

Friday

Certificate II
Building & Construction (Pathway Trade)
Year 12

DIANELLA SECONDARY COLLEGE

Tuesday
7:50am to 8:50am and
Wednesday 2:00pm to 4:00pm

Mathematics Specialist
Year 12 ATAR

Tuesday
2:00pm to 4:00pm and
Thursday 8:30am to 10:30am

Physics
Year 11 ATAR

Thursday
